

Cyber Liability Tools & Resources

As a NAMIC Insurance Solutions Cyber Liability policyholder, access to resources and tools to help your company mitigate cyber risks is available 24/7. Cyber security advisors, online training courses, best practices for cyber incident response planning, sample policies and vendor agreements, and a variety of other tools and resources are available to employees of your company.

Access to NAMIC Insurance Solutions CyberNet

1. Log in to the NAMIC Insurance Solutions customer portal at www.namicinsurance.com. New users to the customer portal must click “Register” in the top right corner to create a user profile. Individual users must be linked to a company with a current NAMIC Insurance Solutions Cyber Liability policy.
2. Click on the CyberNet window located above the applications listing. If your account is linked to a company with an active Cyber Liability policy with NAMIC Insurance Solutions, you will be redirected to CyberNet automatically.
3. Choose the state you are in to have access to state specific compliance and regulatory materials. You may change the state at any time while you are in CyberNet by selecting a different state in the drop-down menu in the CyberNet navigation tool bar.
